

# PASS Judgement

Q-47841 IMP  
15.3 HH SORREL STALLION

Lone Pine Lodge is situated on 40 acres in Garfield Victoria, approximately 55 minutes south east of Melbourne.

At Lone Pine Lodge, we specialise in breaking in horses of all breeds for a variety of equestrian sports including racing.

Our facilities are modern and are specially designed to provide a safe and comfortable environment for horses in training as well as Stallions and spelling Thoroughbreds.

Our other services include, Western Pleasure training, Thoroughbred Pre - Training, lessons, foal weaning, solving problem horses and re-educating older horses.

In 2007, we set up AI facilities for on farm breeding and collecting and chilling semen for transportation. We successfully bred five of our mares and are expecting PJ foals in August and September this year.

Our aim is to breed quality foals with good conformation and temperaments and also provide well handled

young horses for sale which are ready to pursue a career in the show ring.

In early 2009, we will have our first 2yo, yearlings and hopefully weanlings by PJ in the show ring that have been bred at Lone Pine lodge.

We hope to see PJ babies competing in Halter, Lungeline and Led Trail as we believe that they have a calm temperament and willing attitude as well as the ability to perform.

For successfully campaigned yearlings, we will offer a reduced rate off our usual breaking in fee.

For mare owners interested in breeding this season, we can take care of all necessary breeding services on farm or shipped chilled semen. Our Paddocks are safe for both mares and foals, and we also offer foaling down, weaning and handling services.

To book a mare in for AI on farm, please contact us early to reserve a place.
